Good morning Sunshine!
HrRrmmMnh, Shuddup.
I know you're not a morning person, but are you a bit grumpier than usual?
Ugh, I'uhnno. Just Feelin' all Fat 'n' gross this morning.
Come now, Sabrina. You are exactly as beautiful as you were the day I married you.
Mmh, *urp* Thanks.
OF course, you have put on some around the middle.
oh, HA-HA!

PACHINKO FUN BAG
This has got to be the best honeymoon in the history of marriages! The shopping, the sight-seeing, the shopping...
We even got to make love once or twice!
And the food here is really amaz- OOrg!
You OK?
Something's not sitting right.
Excuse me!
Sabrina!?
I think there was something funky in the sushi!
Really? You said you liked it.

Did you find the stomach medicine?
Hard to be sure - everything here has some mascot or anime character on it, but I think I found what I needed.
You've been in there a long time. How long does it take to drink some Pepto Bismol?
You OK?
Sabrina?
You fall in?
Shut up!
Here, take a look at this.
What are you handing me?
and why does it smell like pee?
Because I peed on it.
Why would...
OH!
Yeahh...
I had my suspicions.
It should be showing by now. What does it say?
What do two smiling panda faces mean?
Oh my God.

Hey, be nice to your poor pregnant wife! I'm not feeling my best today.
Not surprising. You should be ready to pop any time now!
Please don't say it like that.
Sorry.
You want me to drive you to work today?
Nah, I'll be Fine.
You sure? It's no trouble.
Quit it, Mom!
Y'know Sabrina, with the baby coming soon, I was thinking of maybe taking fewer call center hours so I can help out more here.
How much fewer?
I dunno, maybe... all of them?
Wait, what?
We can talk about it later.
Well, I'm OFF.
Not until you c'mere. Mmm...
Take it easy at the office, alright?
Mm-hmm.
And you in there, you behave, okay?
Don't embarrass your mother at work.

Sabrina! Christ girl, I'd thought you'd take some maternity leave by now!
Hey Zig.
Sheesh, everyone wants me to stay home today.
It's not like pregnancy affects my ability to sit in front of a computer very much.
Just lookin' out for ya girl, now come here.
I need my baby fix.
SIGH alright, but don't linger.
Hey in there little one - It's your auntie Zig Zag again.
I am gonna spoil you rotten.
Delivering soon, right?
Uh-huh.
I can tell. Your tits are getting bigger.
Okay, we're done here.

SIX OR SO MONTHS AGO:
This is not the most comfortable situation.
Damn, Doc,
I hope you bought my wife dinner before you do that.
The good news is - you're pregnant.
I could've told you that!
Well, this can be a delicate time for skunk pregnancies, and mixed-species babies as well.
It's not uncommon for mothers to miscarry before now, or re-absorb the fetus,
Oh!
ew.
-but your child seems to be doing very well.
So, who would like to see their baby?
Ooh! Me!
All right, let's get you greased up for the ultrasound.
SPLURT!
Oh, wonderful.
Ecch... that feels so cold and gross.
So Doc, you wouldn't have any take-home bottles of that lube, would you?
Don't you dare!

Let's see...
let's seee...
Where is it?
Ah! There we are!
You can see him right there.
Oh wow.
It's hard for me to tell exactly what I'm seeing here.
Um, pardon me...
Did you just say "him"?
I...
I'm sorry, did you not want to know?
Kind of a moot point now, I guess.
You can already tell this early?
I have enough experience that I can usually read an ultrasound accurately.
See, here's the head,
and here's the tail,
and if you look closely riiight here - can you see it?
Oh yeaahhh...
Can you really make that out?
Umm... no. I was just trying to act like I know what's going on.

So what are you planning to name the baby?
Can we not talk about this right now? I'm kinda babied out, and I'm supposed to be working on web code here.
Oh, I understand.
TIK
TIK
TIK
RC and I had a few different names in mind, but since we found out I'm having a boy, we're leaning toward 'Daniel'.
Is that a Transformers thing?
No... Yes, but RC doesn't know yet.
It's the name of Carly and Spike's son.
Your friends' kid?
No, it's from the cartoon, but Carli and Spike do have similar names. That's weird.
Better than 'Bumblebee' at least.
Y'know, 'Zig Zag' is a great name for a kid, regardless of gender.
Nah, I think that name should stay one-of-a-kind.

Do you have plans for lunch? The baby's been dying to try out that new Korean place down the street.
Sorry, but Endora and I have plans.
I still can't believe you and my Mom somehow became friends,
by which I mean my brain literally refuses to grasp it as a concept.
You're welcome to come along if you want.
Nah, I'm good.
So, have you corrupted her yet?
Actually, she keeps telling me I should give up my sinful ways, and settle down with some nice doctor or lawyer
HA! That sounds like her!
She gave up trying to mold me into her perfect daughter, so now it's your turn!
I don't know about that. I think she just gets a kick out of having a 'wild' friend to hang out with,
but she has to be a little bit of a missionary to stay a good person.
See ya later, Sabrina.
Yeah.
Nnh!
I want something with soy sauce on it, NOW!

Mmm! Maybe it's the pregnancy talking, but this stuff is pretty delicious.
FLIP!
I agree.
Hello?
Hey Amy.
Sabrina! What's up?
Not much. Any day without a bladder leak is a good day. Anyway, I have a mommy question for you.
As my due date gets close, I've been having more and more difficulty getting around. Is that normal?
It's been a while, but I don't remember having that much of a problem. Maybe you have a big kid.
I see. Thanks anyway.
Wait until your baby turns two. Then you'll know what 'tired' is.
MOM! MOOMM!!
Toilet broke!
WHAT DID YOU DO!?
Sorry Sabrina, gotta go.
Totally understand. See ya.
BEEP.
BEEP.
BEEP.
BEEP.
SABRINA!
Carli, Hi! Sorry I've been out of touch, but I've been busy being pregnant.
Do you have any advice for a new mother-to-be?

Yeah. Don't have a litter.

NOT QUITE SIX MONTHS AGO:
So um- When are you planning to tell your folks about... this?
I'll probably wait until I'm showing enough that I just can't hide it any more.
I think I have news for you.
A TINY BIT LATER THAN THAT:
Sabrina! I haven't seen you in ages. I thought maybe you'd forgotten about me.
Sorry about that Mom. I was trying to avoid a lecture.
Looks like you've put on a few since I last saw you. I thought you might let yourself go a bit after you got married.
That's not what's going on, Mom.
Then what do you call this little Buddha belly here? I mean it's not like...
Uhm... surprise?
OH MY GOD!! A BABY!?!
ACK!
I'M GONNA BE A GRANDMOTHER!!
I'M GONNA BE A GRAMMA!!
Too bad it's half raccoon.
Aw, Mom.
Jeez, Sabrina! You're starting to get Fat!

We're very happy for both you and RC.
That's what I was basically saying before.
PSST! Sabrina, I had a question.
What is it?
I was looking up Zig Zag on my tablet.
She does... porn stuff, right?
You got around the parental filter?
Well - yeah! I'm not dumb!
So does she?
Uhmm... yeah.
That's pretty cool!
You know, I really should tell Zig Zag about your baby next time I see her. She'll be thrilled!
Well actually, she already next TIME YOU WHAT!?
Didn't I tell you? Zig Zag and I are good friends! We go out all the time!
How does someone like you and someone like her become friends?
What? She's interesting and lots of fun.
I gotta say I didn't see it coming either.

A LITTLE OVER A MONTH AGO:
Hi Dad!
Hey kiddo.
May I?
Sure.
Wow, that's an active kid!
RC tells me he's gonna ba a kick-boxer when he's grown.
Tabitha was like this too. It must run in the family.
Well, I gotta go. Endora said the shower is for ladies only.
Really?
I don't mind if you stay.
Sorry Sabrina, but I'd never hear the end of it if I did. Seeya later kid.
C'mon in Sabrina!
Zig Zag?
I didn't expect to see you here!
Endora invited me!
Sorry, I keep forgetting you two are friends.
I seem to have a mental block about that for some reason.
No worries. Just come along.
We have so much fun planned for you!
Oh?
I wonder if I would find this fun if I was drinking like everyone else.

BABY ON BOARD
A WEEK'S SUPPLY OF DIAPERS!
GAH!
SNUGGIES
SNUGGIES
SNUGGIE
Whoa, that's really...
Wait, "week"?!
So, do you have a crib with a high safety rating?
Still working on that.
SNUGGIES
NEW!
Goo.
What brand of stroller do you have?
Stroller?
Do you have reservations for a reputable pre-school?
Pre-school? The kid's not even out of my body yet!
You have to be well-prepared if you want your child to have a successful life.
SIGH - I'm not even a parent yet, and somehow I'm already a terrible one.
Don't worry Sabrina. You'll work it all out for yourself. You always do.
Yeah girl, you'll be just Fine!
Well maybe it would've been a bit easier if a wealthy, infatuated boss bought some of that stuff I need instead of a metric ton of diapers.
Well it's no fun if you're expecting it.
You'll get more value out of the diapers, trust me.

What's up kiddo?
Thought I should tell you - I looked you up on Google.
I know what you do.
You do?
Yuh-huh.
Is... that a problem for you?
Nah - it's weird, but I'm OK with it.
Seriously?
You're still the coolest adult I know.
And you're the most strangely cool kid I know.

Hey girl, how you holdin' up?
Doing OK mostly, but my lunch isn't agreeing with me.
Really?
Yeah, that Korean rice bowl was tasty, but it gave me some pretty bad stomach cramps.
You sure it's not the baby?
Shouldn't be. He's not due yet.
When is it due?
Not until like, the day after tommorow.
You're kidding, right?
Look, I've never had a kid, but even I know they don't keep tight schedules!

RC? How did you get here so fast?
Well, I've been shadowing you for the last week and a half, just in case.
I was parked across the street when I got the call.
Wha- why would you do that?
Well, you've gotten so grumpy lately whenever I try to be... cautious with you. I thought you might be mad if you knew I was following you around.
Y'THINK!?
You followed me, you didn't trust me to take care of myself, and I'm not sure why I'm yelling at you because you're CLEARLY IN THE RIGHT HERE!!
Let's go please!
C'mon drama queen, I have all your stuff in the car.
I'll be right behind you guys.
Oh, careful.
thank you.

A WEEK AND A HALF AGO:
Well, I picked up the crib.
THIS END UP
We officially have everything we need now, not counting anything we forgot.
Hmm - We'll definitely have to rearrange some things in this place.
Yeah, especially if little Daniel's gonna have his own room.
Makes sense - can't have a bunch of dangerous or breakable stuff where little hands can reach.
I think we'll have to trim down, maybe put some things in storage, like your anime girl figures.
Hey!
You might not want to hear this, but we may have to combine the toy room and the computer room into one.
Ohhh... You're probably right though.
Well, when that's done, we will finally be fully prepared for this baby.
I hope.
Me too.
So, do you think we should have taken one of those childbirth classes?

Oh my God.
I am really not ready for this.
I don't think it matters if you're ready or not at this point.
I'm serious! I thought I was ready, but I just proved to myself I have no idea what I'm doing! I wanted to go to work today, and I mistook contractions for a bad lunch for God's sake!!
You'll figure it out as you go.
We both will.
That's not good enough!
Hey kid? Let's make a deal. If you hold off for a few days, I'll use that time to do research and take a class or something.
Trust me on this. It would be what's best for both of us!

BABY'S COMING!
...Can you be a bit more specific?
Hi there! I understand someone's having a baby!
Yes.
Tell me what to do.
There will be a few forms to fill out.
We'll need to make copies of your insurance cards, then we'll get you into a room.
I probably should go park the car.
Be sure to ask for a parking pass once you get back.
Don't worry, Mrs. Conrad. We'll take care of everything.
SIGH Thank you. That makes me feel a little better.
So, is this your first child?
Yes, it is.
Ooohh, You might be in for a bit of a rough ride then.

Knock knock!
How are we doing?
Hello, Doctor.
It's pretty rough. Contractions are coming faster, and lasting longer.
I'M HERE!!
Did I miss anything?
This is normal. Your body is changing to allow a baby to pass out of it.
Pain is an unfortunate part of the process. Do you require something to deaden it?
I - I'm not sure! Is it bad for the baby if I take something, or is... AHHG!
MOTHER [redacted]!!!
Now you see, she's normally more of a 'Fudge' type of person.
I'll speak to the anesthesiologist.

I'll be back shortly.
Thank you Doctor.
How're you doing, babe?
Oh, I'm just super, thanks for asking.
I packed a bunch of things I thought you might want.
I brought paper and pencil,
some Jaffa cakes,
your Atari portable,
I even brought your friend Silverbolt.
Oh, RC! That's so thoughtful of you! You'd better take him away though.
What? Why?

Yeah, I did.
Sabrina's having the baby. We followed her here from the studio.
Did you leave anyone back there?
Zig Zag!
It's strange. She just called me a few hours ago asking questions, and now she's here. What do you know?
Not much yet. No one's told us anything.
Sabrina! Where is she? I need to see her now!
Endora! You made it!
Tell me where she is!
It's fine. Sabrina is in maternity right now. She's probably too busy for visitors.
I'm sure we'll hear something when she's ready.
I see. Thank you for calming me down, Zig Zag.

Uhm - I don't think this is the best time.
It's pretty important.
I've tried to bring it up earlier, but things kept getting in the way. It does concern the baby though.
I see.
RC, I would be happy to talk about anything you like,

As you know, I've had a lot of issues with my parents.
Oh, we're doing this?

Mom and Dad were 'free spirits', never really holding down a steady job or income, and things were lean at times.
As a kid, I resented going without, and thought they were irresponsible parents who couldn't get me the stuff I wanted
When I grew up, I was all about hard work and responsibility, so I wouldn't be like them, but after you and I became a couple, I slowly started to understand what they were about.
While my family didn't have everything we might have wanted, we had what we needed, with more love and happiness than my steady job ever offered me.
Sabrina, I want to quit my help desk work so I can be a full-time Dad.
Your job is more than enough to support our family, and I believe we'll all be happiest this way.
probably.
RC, if that is what will make you happy, then it's perfectly fine with me,

Hiya, Still shamelessly groping my ass, I see.
Not that I mind, but doesn't your wife have a problem with you doing that right in front of her?
Nah, me 'n' Rainy have an understanding. She gets to do the same thing to any James Bond.
I got the chance in 1989, and again in 2002.
Ah.
So what's going on?
From what I'm hearing, Sabrina should be having the baby really soon.
Oh, that's wonderful news!
HAH! I knew my boy had the juice!
I wasn't able to find out hardly anything at all until Endora showed up and asked herself.

Is Zig Zag around h-
Whaaaaaaaaa...?
Mom? Dad? How did everyone wind up here?
My Rolodex is awesome.
What?
Sorry, 'contact list'.
Well, I guess it saves me time making announcements.
Never mind that! What happened to you Richard?
Huh? Oh, Sabrina had labor pains and tried to break me in half.
heh, Been there!
I'm on a lot of Vicodin right now, so I'm feeling alll... right.
heh, Been there.
Anyway, I'm letting you all know everything is Fine, and Sabrina and the baby will be ready for visitors in a few minutes.
How...
HOW IS SABRINA !?
Um, It was kind of a rough labor, but she's doing OK now, probably better than I am at the moment.
RC! Y'know with those bandages on, you look like someone outta anime who was just in a Fight!
That's the way I chose to see it.

Are you ready for some visitors?
SIGH Ready as I'll ever be.
Fair warning - Zig Zag called, like, the entire county, and most of them are here.
A lot of people?
Not... really. It's just crazed relatives and weird porn industry friends.
I see.
What?
Okay, listen everyone. The room isn't very big, and Sabrina's still really tired, so if you'll-
BAM!!
SABRINA!!
Uhh... If not for the baby, this would be the worst day of my life.
Oh, Sabrina! You're all right!
MOM!! Watch it!
The baby's brand new and I'm sore all over! You need to treat us both like we're made of meringue!

I WANNA HOLD THE BABY! I WANNA HOLD THE BABY!!
Okay, but be extra careful, and hold her head up.
Wow... She's so small.
So Tabitha, will you be a good aunt to little Danielle?
What?
Aunt?
Well, she's my daughter, and I'm your sister. That makes her your niece, and you her aunt!
I... don't think I'm old enough to be an aunt yet.
You've got a wonderful baby here.
Oh Sabrina, she's absolutely **beautiful!**
" -For a... "
"IF only she wasn't... "
...
beh.
Thank you, Mom.

Oh Richard, she's such a wonderful child!
Yeah, she's a real winner, all right.
She already has such a warm aura.
You know, I think maybe she gets her good looks from her grandfather.
Nah, she'd need years of hard, stupid living for that!
Baby!
That's right Timmy!
Congratulations on your first child, Sabrina.
Thank you, and Danielle thanks you too.
'Danielle'? I thought you said you were-
Yeah, yeah I know.
Baby!
You're not disappointed you didn't get a boy instead?
Hadn't really entered my mind.
I was just happy to have a healthy baby, so the other stuff didn't really matter anymore.
Do you feel the same way, RC?
Oh yeah. I'm already in love with my little girl, and ready to terrorize any of her potental future suitors.
BABY!

Whoa girl! you look...
-way better than I did after shooting "Orgy Marathon 3", actually.
Thanks, I think.
So, d'ya trust me to hold your first born?
You know, I think my baby is one of the few things I **would** fully trust you with.
Appreciate the vote of confidence, babe.
Hello there, beautiful baby girl! I'm you're auntie Zig Zag!
We spoke through the tummy, remember?
Listen kid, if you ever need a favor or anything, don't hesitate to ask.
Zig Zag? You OK?
Sure, why?
You're... crying.
What? No I'm not.
No wait, you're right.
Huh, that's weird.
Wish I knew if this was from joy, or something I've repressed.

She's so cute! Like a li'l panda!
I would so love to have one of our own some day.
Which one of you gets to be the Father?
Everyone, I'm sorry about this, but Sabrina and her baby need to rest and recover, so I'll have to ask you all to leave for now.
S. CONRAD
NURSE
AW!
Look, I'm sorry about Endora. She just gets so worked up in situations like this.
It's fine. This has been a crazy stressful day for all of us, so-
Richard?
Hm?
I...
...
I'm not sure, but I think I liked that better than an apology.
Take it easy, Kamina.

Well, we'll get out of your hair. I'll consider your maternity leave as starting now.
Okay, I'll see you later.
Oh, and thank you for everything you did for me today. I really-
Better cut the mush before I tear up again.
Right.
Wow, it got really quiet really fast.
Sure did.
So what happens next?
The doctor said she'll be taking Danielle for a full health screening and such, then it's just us for a while.
Will you be going off somewhere to recuperate, or...
Nope! I'll stick around here with you,
-trying very hard not to catch MRSA from this couch.
I'm sure we can get a bed or something. You've been hurt enough.

So, would anyone like to join us at the bar down the street to toast Sabrina's baby?
I'm buying!
Tempting, but we have a baby of our own whose bedtime is long past due.
Yes, I'm afraid it's the same for-
Ooh! I'd love to!
Endora, are you sure?
I'll see you at home later - that is if Zig Zag doesn't mind giving me a ride.
Um... Sure, no problem.
Okay if we tag along? I promise not to get too handsy!
Hey, the more the merrier, and don't make promises I don't need you to keep!
Psst! Tina, think you might come home with me after all this? I've been on good behavior all day, and **really** need to blow off some steam.
I suppose that can be arranged.
So, are we talking comfort and cuddling, or "keep pushing deeper until it comes out the other end"?
Well, we can start with one, and see where it goes from there.
So, did anyone else think that doctor was cute as hell?

I didn't realize how late it's gotten.
I guess time flies when you're in labor, huh?
I disagree.
Your bed's here.
Good. I'm exhausted. I'm betting you are too.
I think I could sleep for a week or so, if that's what you mean.
Get it where you can. There might not be much sleeping for either of us for some time.
SIGH I miss her already.
Heh, me too.
CLICK!
Hey.
You did it.
You just made a whole new life.
You helped too, y'know.
Maybe in a 'grab that thing OFF the high shelf' kinda way,
-but you're the one who did all the heavy lifting on this.
SNRZZZ...
Ah yes, that's an excellent idea, my dear.

EPILOGUE 1:
Honey, I'm home!
Sorry to get back so late. It's been a busy day.
No big deal. It's what I get for marrying a doctor. You hungry?
Starving!
I can whip something up quick, if you're not too picky.
Anything is Fine. Thank you dear.
So what was the big baby deal?
The birth itself wasn't anything out of the ordinary, but then the husband got hurt, and friends and relatives swarmed the room, and all that stuff.
Families are always nuts.
Yeah, and the mother works at a porn company, or something like that, so there were these porn stars all over the place too.
SERIOUSLY?
Seriously. Three or four of 'em at least.
One was this curious-looking lady with stripes all over, like a zebra, called-
get this,
"Zig Zag".
Oh my GOD you met Zig Zag!? What's she like? Is she as amazing in person!?
uhm...
Could we please have sex tonight? I'll cook you anything you want! Just don't be mad if I say her name during, okay!?

EPILOGUE 2:
To Sabrina!
SABRINA!
An' R.C.!
Danielle!
Ugh... I think I've had enough too much to drink. Probably best to call it a night.
That sounds... like a good idea to me.
LITE BEER
Can I call up a car for you?
-the hell?
Coulda sworn I had my phone right here.
Did you leave it at the studio?
In all the excitement I guess I must have.
Tell ya what - Rainy doesn't drink, so we can Ferry y'all home if you don't mind piling into the microbus.
I wouldn't wanna put you guys out.
I'd be happy to. It'll be just like our old road trip days!
Would that work for you, Endora?
...
Heh, I've had worse offers.
OK, deal! And in return I'll grope you both as much as you like! HA!
God, I am buzzin' hard right now.
TONK!

I TOLD you... I'm only buzzed!
EXIT
WE HECK I.D.
Still can't believe I forgot my friggin' phone.
I'm sure it'll turn up sooner or later.
